# Hakkımızda

Üçtem-Plas ailesi olarak 25 yılı aşmış olan süre boyunca içerisinde büyük varlık gösterdiğimiz sektörde, yön veren firmalardan olmayı bir gurur sayar ve yıllardır bizleri yalnız bırakmayan iş ortaklarımızla heyecanımızı paylaşmayı sorumluluk biliriz.

İlk faaliyetlerine 1997 yılında 50m<sup>2</sup> alanda başlayan Üçtem-Plas hedeflerini her zaman en yukarıda tutmuş ve kapasitesini hedefleri doğrultusunda her geçen gün arttırmıştır. İstanbul'un Bayrampaşa ilçesinde kurmuş olduğu 5000m<sup>2</sup>'lik atölyesiyle kendisini öncelikle kendisine kanıtlamış ve sektörde adından çok kez bahsettirmiştir. Kararlı adımlarla ve güçlü kadrosuyla yoluna devam eden firmamız kendi bünyesinde kurmuş olduğu kalıphanesi ve diğer tesisleriyle artık çok daha genişlemiş ve 2011 yılında 15000m<sup>2</sup> kapalı alanı olan fabrikaya geçmiştir. Hali hazırda geniş bir yurt dışı satış ağı olan firmamız yaklaşık 75 ülkeye ihracat yapmakta ve bunun büyük çoğunluğunu Avrupa ülkeleri oluşturmaktadır.

Alanında uzman bir kadroya sahip olan şirketimizin değişmez prensipleri daima kalite, daima yenilik, üst seviye hizmet ve uygun fiyat anlayışından ödün vermeyecek. Siz değerli iş ortaklarımızla sektörün değişmez, vazgeçilmez ve lider firması olmaktan geri kalmayacaktır.

Çıkmış olduğu bu yolda daha güçlü ve aktif olabilmek için modern teknoloji anlayışına uygun enjeksiyon makinelerimiz ve cnc makinelerimiz ile üretime 2022 yılından itibaren 40000m<sup>2</sup>'nin üzerindeki yeni tesisinde devam edecek olan ÜÇTEM-PLAS;

İnsan sağlığını, doğamızı ve tabii kaynaklarımızı koruyabilmek adına geri dönüşüme ve çevre kirliliğine azami özeni göstermekte ve bu konudaki duyarlılığını ürettiklerine ve üreteceklerine yansıtacağına, daha temiz bir çevre için üretmeye devam edeceğine söz vermektedir.

## About Us

As Üçtem-Plas family, in this sector which we have been operating more than 25 years, we are proud to be leading company and we are responsible of sharing our excitement with our business partners.

Üçtem-Plas is started its first activities in 1997 on a 50m<sup>2</sup> area. It has always kept its targets at the top and increased its capacity day by day in line with its targets. It proved itself to itself firstly with 5000m<sup>2</sup> workshop, which it established in the Bayrampaşa district of Istanbul, and made a name for itself many times in the plastic sector. Our company, which continues on its way with determined steps and strong staff, has anymore expanded much more with its molding room and other facilities it has established and in 2011 it has moved to a factory with a closed area of 15000m<sup>2</sup>. Our company, which currently has a wide international sales network, exports to approximately 75 countries, and the majority of them are European countries.

The unchangeable principles of our company, which has an expert staff in the field, will always not compromise on quality, always innovation, high-level service and reasonable price. It will not cease to be the unchanging, indispensable and leading company of the sector with you, our esteemed business partners.

ÜÇTEM-PLAS, which will continue its production in its new facility over 40000 m<sup>2</sup> from 2022, with our injection machines and cnc machines in accordance with the modern technology understanding in order to be stronger and more active on this path it has taken;

In order to protect human health, nature and natural resources, it pays maximum attention to recycling and environmental pollution and promises to reflect its sensitivity in this regard to what it produces and will produce, and to continue to produce for a cleaner environment.
