ABOUT OUR FIRM

Founded in Istanbul in 1980, ÖZHAVAN PLASTİK has been a leader in the field with over 30 years of experience.

The company adopted a service and production mentality that was way beyond that of its contemporaries when it was first established. It has always managed to keep up with technological developments, upgraded its production line, maintained its quality-focused sales strategy, and provided services to a very large clientele.

ÖZHAVAN PLASTİK has always maximized customer satisfaction by drawing on its innovative infrastructure and quality-focused philosophy. It constantly improves the production line as needed, ensuring uninterrupted and high-quality service.
